KEY FEATURES AND BENEFITS

Cooking versatility

Enjoy great cooking versatility – grill, roast, sear, bake and cook low and slow.

WEBER CRAFTED compatible

WEBER CRAFTED frame kit included; allowing you to add a great range of accessories to expand your cooking repertoire.

LPG gas bottle scale indicator

Never run out of gas! If you use LPG gas bottles, the gas bottle scale indicator on the side panel of your barbecue indicates how much gas you have left in your bottle.

Large cooking area

The large cooking area is perfect for family meals or entertaining a crowd.

Sear zone

Cook perfectly seared steaks with ease, even for a crowd, with the extra-large, powerful sear zone.

Side burner

With the added side burner, you can warm up a sauce or side, all without leaving your guests.

Large roasting hood and thermometer

Large roasting hood with lid thermometer for large roasting capacity and temperature monitoring.

Expandable top grill

With the expandable top cooking grill, you can roast vegies, keep cooked food warm, rest steaks or toast burger buns.

Porcelain-enamelled cooking grills

Porcelain-enamelled cast-iron cooking grills for great heat retention and even heat distribution.

NIGHT VISION LED lighting

NIGHT VISION LED lighting illuminates the entire grill surface, so you can see what you're cooking, even in the dark.

Grill Locker

This grill locker fits WEBER CRAFTED collection accessories, as well as your barbecuing tools.

Smoker box included

Experiment with adding delicious smoked flavours to your food.
