KEY FEATURES AND BENEFITS

Integrated Weber Connect

With Weber Connect smart technology, you get digital display of the barbecue temperature, plus food temperatures (when using a Connect food probe). You can also connect to your phone for real-time alerts.

Cooking versatility

Enjoy great cooking versatility - grill, roast, sear, bake and cook low and slow.

WEBER CRAFTED compatible

WEBER CRAFTED frame kit included; allowing you to add a great range of accessories to expand your cooking repertoire.

Large cooking area

The large cooking area is perfect for family meals or entertaining a crowd.

Sear zone

Cook perfectly seared steaks with ease, even for a crowd, with the extra-large, powerful sear zone.

Side burner

With the added side burner, you can warm up a sauce or side, all without leaving your guests.

Fuel level monitoring

For LPG models, there is a tank scale to visually see fuel level, and this integrates with the digital display and the Weber Connect App to provide low fuel notifications on your smart phone.

Wi-Fi connectivity

Stay connected to your barbecue via the Weber Connect App on your smart phone when connected to Wi-Fi.

Warming rack

The warming rack is ideal for keeping cooked food warm, resting steaks or toasting burger buns, so that you can serve everything to the table at one, all piping hot.

Porcelain-enamelled cooking grills

Porcelain-enamelled cast-iron cooking grills for great heat retention and even heat distribution.

Easily accessible grease tray

Easily accessible grease tray helps makes cleaning quick and simple.

Push button ignition

Push button ignition for quick and convenient ignition.
