

EFS9010CERS

90cm 10 Function Ceramic Freestanding Cooker | Stainless Steel

Euromaid

FEATURES & BENEFITS

148L CAPACITY

Class-leading 148L capacity. Make the most of your oven with extra-large cavity space, providing more room to cook on multiple oven shelves and perfect for entertaining.

DUAL ZONE

Whether using large or small cookware the dual zone allows for more versatility, to accommodate a range of cooking needs.

TELESCOPIC RAILS

The fully-extendable telescopic rails glide smoothly in and out of the oven cavity. Perfect for handling heavy cookware or quickly checking the progress of your cooking.

EASY STEAM

The Easy Steam function combines hot air cooking with the benefits of steam, to bring out the flavour in food, cooking it more evenly and producing juicy and crispy results.

DIGITAL TIMER

The touch control digital timer can be programmed for a variety of timer functions, including cooking duration or end-time, which is displayed brightly on the LED display.

MULTIFUNCTION

10 oven functions for ultimate flexibility, including Fan Forced for perfectly even baking, or Rapid Cook which can help reduce preheating by up to 25%.
