

LTD Smart Insert HT

The LTD Smart Insert is suitable for lifestyle and rural properties with a land area of 2Ha or greater. Designed for new and existing installations into either a masonry chimney or timber framed cavity¹. Installation into a timber framed cavity can be achieved by utilising the Smart Insert VZCC and optional fascia base rail. The LTD Smart Insert features modern styling with a flush front fascia and the unique firebox design delivers longer burn times. Fascia finished in metallic black high temperature paint.

Model	LTD rural (2 hectares+ land size)
Peak output	15kW
Heating area	150m ² / 3 bedroom home
