Outdoor 850-T (trolley model + freestanding flue kit)

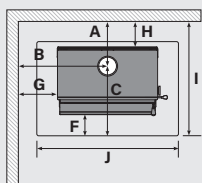

Entertainment on the move. The 850-T features a large volume stainless steel storage trolley with heavy duty braked castors allowing you the flexibility to easily move the fire around your entertainment area. The trolley also provides convenient storage for your firewood, cooking grill and pizza stone and features a removable base panel for easy cleaning. The panoramic door glass offers mesmerising fireside views, safety, and eliminates wind blown ash and smoke for your comfort. Where ever you decide to reposition your fire, the closed-door brick lined firebox delivers impressive radiant heat to your outdoor living area.

PACKAGE INCLUDES:

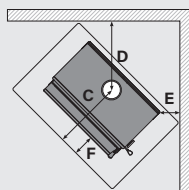

- 850 firebox, stainless steel trolley base and freestanding flue kit
- Internal cooking grill and pizza stone (lift in and out of firebox)
- Pizza peel, ember rake, grill lifter and wall hanging bracket for tools
